Series:2, Issue:22

January 2009

Tim, Eileen and Becky wish all Wenhaston Word readers, advertisers, contributors and distributors a happy, healthy and prosperous New Year!

Wenhaston Pre-School

Many thanks to everyone who supported our stall at the Christmas Bazaar, and our tree at the Christmas Tree Festival. All the children enjoyed making decorations for this.

We are sorry to be saying goodbye to Kelly Peck in December. Kelly has worked for the Pre-School for several years, firstly when it was still in the Village Hall, and we would like to thank her for all her hard work and wish her well for the future. We are currently recruiting Kelly's replacement - see our advertisement for further details if you are interested.

We have space for a few more children from January and have started a waiting list for those not yet two and half years old, so please contact the Pre-School for further details and a registration form. **Fiona Adams, Chairperson**

Wenhaston Pre-School

Wenhaston Pre-School welcomes children aged 2½ to rising 5 years. Situated in a purpose-built facility within Wenhaston Primary School, the Pre-School offers children a safe and exciting environment for fun, learning and development.

For further information, tel: 01502 478819

Vacancy for Deputy Supervisor

For a number of morning sessions each week.

Minimum qualification: relevant NVQ Level 3

Please call the Pre-School or 01502 478163 for further details and an application form

Closing date for applications: January 16th

18th (We join the Methodists)

25th 6:30pm Evensong

News from the Church

If you were one of the visitors who braved the atrocious weather and visited the Christmas Tree Festival in the Church, then I am certain that you will agree that it was well worth the effort. The Church looked quite beautiful with the Christmas Trees so attractively decorated by various Organisations in the Village. A lot of hard work had been put into the preparation and we are very grateful to everyone who entered a Tree. I think that the entry from the School was the favourite of many visitors, it was full of fun! The Community Carols on Saturday evening were also popular and the Church lit by only the tree lights was quite magical. It was good to have families and children with us.

Finally a thank you to everyone who came and supported us, we do hope that you enjoyed your visit.

We are also grateful to everyone who purchased from our stall at the Village Bazaar. We all felt that it was a particularly good Bazaar with a happy atmosphere.

My next news will be in 2009 and so I finish by wishing everyone in Wenhaston a Happy and Peaceful New Year from us all at St. Peter's.

Margaret Goldstone

Village Hall Surgery

There will be no Southwold Surgery at Wenhaston Village Hall on 1st January 2009.

Dance & Music for the Mature

"No Road Map"

Unique dances, specifically designed for the mature, to good music: classical to rock, early to 21st century.

Wenhaston Church Hall 4:30 - 6:00pm

Thursdays from January 8th 2009

Non-competitive exercise for body and mind

Contact 01502 478544

Dance and Music for the Mature

After a short series of sessions in the autumn the dance and music meetings for the mature, called No Road Map (because it's uncharted territory), continue at the Church Hall on Thursdays, from 4:30 - 6:00pm, re-starting on January 8th. There's fun, exercise of physical skills, co-ordination and the motor memory.

It's a way of appreciating music through dance which, with a bit of practice, all can do. The music determines the style of the choreography and you can find yourself dancing a Christmas carol, a Charleston, rock'n'roll, to songs or instrumental - music and dance from the medieval to the 21st century.

No Road Map is non-competitive. There are no judgments or comparisons. It's individual and constantly evolving as the participants gain in strength and versatility. Please ring Sandra for information on 01502 478544 and see the advert above for times.

Do You have a Holiday Cottage?

If you let out a holiday cottage have you considered having your own website?

At Blythweb we not only create effective accommodation websites, from just £200 a year ex VAT, but also include in this price advertising on our informative local town and village websites. A truly affordable good-value package. Our local town and village websites (including those for Halesworth and Southwold) receive over 3000 visits a day with many holidaymakers booking accommodation from these websites. If you already have a website you can still advertise effectively with us. Blythweb has been established over 10 years and handles websites for all sorts of businesses, both large and small.

Read more at www.blythweb.net . Call 01502 478712 to arrange an appointment to discuss how our expertise can work for you.

Wenhaston W.I. December Report

We packed a lot into our December meeting. The Village Hall was festively decorated as were many of our members!

Our speaker was Patrick Thompson, who, despite his north-east Suffolk roots, found himself as Deputy Master of the Royal Household by way of several years in charge of J.Lyons establishments in London. Patrick explained with much grace and humour much of the day-to-day workings of the Royal Household and was thrilled to meet our member Kay Markwick who was born at Buckingham Palace as her father was a Royal Footman and lived there (and yes, Patrick had known him). The process of Investitures and Garden Parties were both touched on, particularly as our member Heather Phillips has received an MBE. A gem of a speaker, who even brought us home-baked scones! These joined the mulled wine and mince pies enjoyed before sitting back for a humorous 'fashion show' staged with wit and fun by several of our members.

Our thanks go to Wil Harvey for his help with the seasonal refreshments. Wil joins us again at our January meeting when he will be our speaker on 'Painting People'. Please note our meeting date is Wednesday 7th January, at 7:30pm Wenhaston Village Hall.

Eileen Heaps

Carol Singing

Many thanks to all those who either took part or contributed to our two nights of carol singing around the village on December 15th and 16th. We collected £277.51 which is to be sent to the Community Nurses at Halesworth. Thanks are also due to our kind hosts, Felicity and Rob, and Heather and Peter, for their scrumptious and very welcome refreshments.

Wenhaston Energy Support Group

'Warmer Wenhaston' DIY Insulation and Draughtproofing Scheme

Many villagers showed an interest in some DIY in the successful first round. Don't worry if you weren't able to take advantage of it this time, as we will be running it again. If you act quickly, you might just get your application in to SEAL on time. (Forms in village hall WESG pocket).

People who have already sent in forms will be able to collect their DIY materials during January from the village hall, once the paperwork is completed.

Don't forget, if DIY isn't your thing, you can apply for the materials, at low or nil cost, and get a handy-person to do it for you.

Solar Panel Installations

More houses have taken advantage of this scheme. Prices will have to increase by about 10% from 1st January, but will still provide very good value. If you get your quote/deposit in before the new year you will still benefit from current prices.

Contact Solarworks on 0800 781 4004.

Wenhaston Green Website

www.wenhastongreen.org We have been working on our own website, which should be up and running before January. Do access it and see what you think. We welcome views and particularly ideas for what to add on an energy efficiency theme.

We're always looking for people to join our group - you don't have to attend lots of meetings and you can give as much or as little time as you've got. To find out more - just call Janet Dillaway on 01502 478966 or email her at janet.dillaway@btinternet.com - or talk to anyone on the group.

Have a green and happy Christmas and New Year - and watch out for our public meetings! First is our open session on 19th February at 7:00pm in the Church Room.

Janet Dillaway and Janice Claxton

Wenhaston Gardeners

Wassail, wassail and jolly wassail was enjoyed at the Christmas party. After wining and dining from a sumptuous spread we were entertained by Syzewell Gap. They treated us to a seasonal medley of tunes, songs and stories and even roped Ric and Rob in to have a go with the jig dolls! Replete and mellow, we rounded off the evening with a sing-song of carols.

As always, the Hall looked lovely and festive. Thanks to everyone who helped to make it such a successful evening - particularly Felicity for masterminding the food with her usual flair.

On we go now into a New Year with new challenges. We next meet on Tuesday January 13th when Ben Potterton will give us a talk entitled 'A Fowl Night'. I hope many of you will flock to hear him. At £1 each for members and £2 for visitors - who are always very welcome - it has to be a bargain night out. Meanwhile, make yourselves comfortable with a cup of tea and a few seed catalogues and dream of a bumper 2009. Best wishes, **Cherry Wilkinson**

Established 1994

A144 Strengthening of Spexhall Rail Bridge

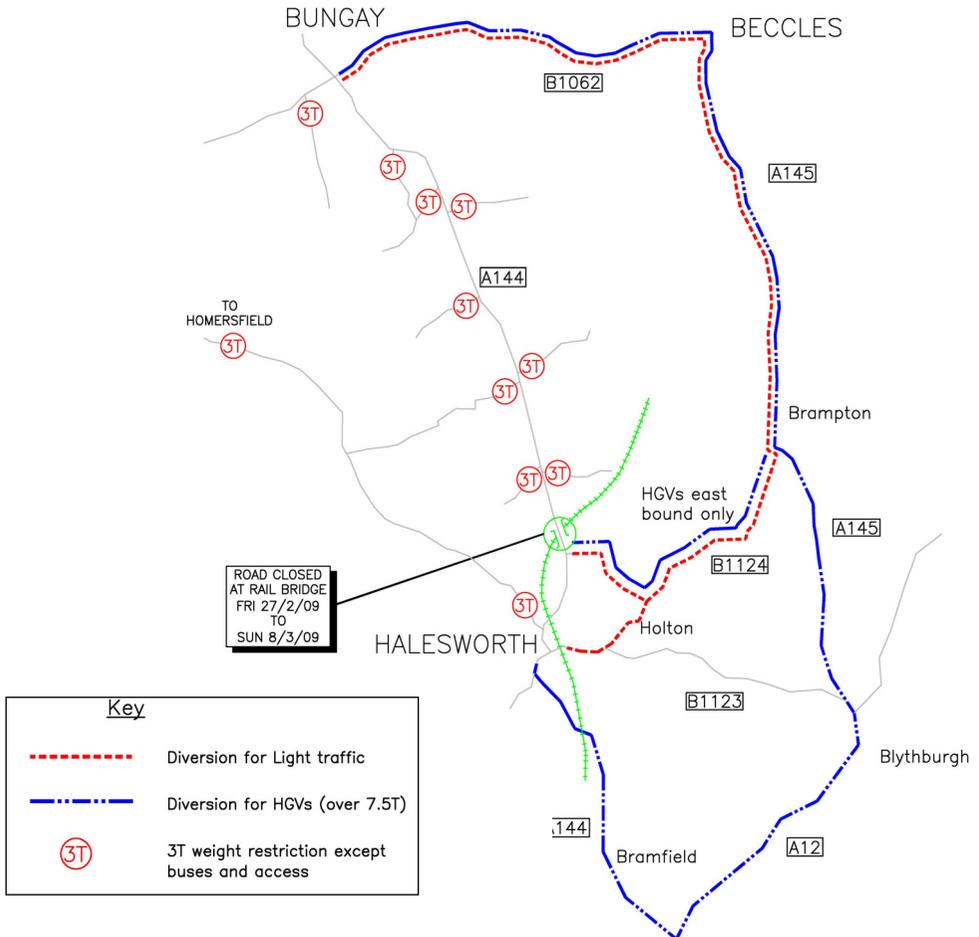

As part of the recent introduction of 40 Tonne lorries all bridges were structurally assessed to check their capacity for the increased loads. Spexhall Bridge, which carries the Halesworth/Bungay A144 road over the East Suffolk Rail Line needs appropriate strengthening. The Bridge is owned by Network Rail (NR), but Suffolk County Council (SCC) is responsible for ensuring that it can safely carry 40 Tonne traffic so this work is a joint project between NR and SCC. The work will be carried out by NR's contractor Kier Rail and will involve disruption to both rail and road users.

The rail line will be closed for two weekends, 27 February/1 March and 7/8 March, with an alternative bus service.

The A144 will be closed from 27 February to 8 March 2009. The signed diversion route will be via Beccles and Bungay. Local temporary weight restrictions will be in place to restrict lorries to suitable roads. Temporary traffic lights will be in operation across the bridge before and after the closure, from 19 January to 27 March.

Although changes to the above dates are not expected, any necessary changes will be displayed on notices. Both NR and SCC understand the disruption that this work will cause, but we can assure you that the work has been planned to be completed in the shortest possible time.

Wenhaston Sports Club

The Club has had another busy few months. As well as informal matches against other local clubs, a tennis tournament was held in early September and was well attended, especially by the many youngsters in the village who enjoy playing and being coached by Simon and Andy, the Club's coaches.

The Club also supported the taster session of Sandra Redsell's dance and music classes, which continues to be held weekly in the Church Room.

During December we have had the tennis court at the Playing Field power-washed to remove accumulated algae and slime. The glass particles on the multisport court will be dealt with during the week of 15 January, when the BMX/skateboard court will also be cleaned.

Some dates for your brand new 2009 diary. A Grand Jumble Sale will be held in the Village Hall on Saturday 31 January, so that's a good opportunity to pass on any unwanted presents or other stuff you have in that cupboard and no longer need. Give Trish Gower (01502 478267) a call if you would like help transporting larger items, or bring them along during the morning. The Sale is 2pm to 4pm and any help from volunteers would be most welcome.

The Club's Annual Meeting, which is open to all members, will be held on Thursday 19 March at 7:30 pm in the Church Room. Please come along and let us know how you think the Club could be improved.

Another date for your new diary is Sunday 14 June, when we will be organising the Wenhaston Open Gardens event, so pray for good weather on that particular weekend!

Here's wishing you a fit and healthy New Year.

Trees on our Commons

For some years now the view looking north from the seat on Bickers Heath over the Blyth Valley towards Blyford church and the Queens Head pub has been disappearing due to the trees along Low Road.

The other side of the village on Black Heath we have a similar situation - trees on the southern edge of the heath are blocking out light which is preventing the regeneration of the south-facing slope facing over the marshes towards Church Farm

We can restore the views from these lovely rare elevated spots with sensitive thinning of the trees.

We have consulted with Suffolk Coastal District Council, the manager of our Commons, and there is money available for selective thinning in both of these areas to allow more light and improve the views.

If you have any thoughts we would like to hear from you by email to wcgabap@btinternet.com or put a note in the Commons Group pocket in the Village Hall foyer.

Michael Gasper
Secretary, Wenhaston Commons Group

News from the Bus Shelter

There are times when going to Lowestoft just won't do and you can't resist that trip to Norwich. I don't enjoy the journey by car and parking is difficult particularly at busy times and it's always expensive. The 'Park and Ride' at Harford seems to offer a good alternative but the bus journey from there into the city is still a long one.

The Anglian Bus 588 service to Norwich runs regularly from Saxons Way via Bungay but it doesn't connect particularly well with the 601 from Wenhaston unless you have a little job or two to do in Halesworth first. So why not do your own 'Park and Ride'? Parking in town costs up to £1.50 for the day and the bus fare is £5 return for those who pay so it's still cheaper than taking the car all the way. There are great views from the double-decker buses which terminate in St Stephens Street - a handy place to start shopping.

Cheaper Food?

Are you interested in setting up a village food buying group?

The idea is to form a group of village people to run a sort of Village Co-Op to buy food in bulk for our members at cost. This could result in substantial savings as wholesale prices are about half retail prices on some kinds of food.

The idea is that once a month we put together a village order for dry foods such as rice, flour, pasta, cereals, beans, nuts, sugar etc and order these in bulk from a wholesaler. When these are delivered we divide them up and each member collects their order.

If you would like to help make this happen please get in touch.

Tim Heaps 01502 478712

Watch Out, There's A Thief About

Recent thefts in Wenhaston include:

- ~ milk delivery taken from a doorstep,
- ~ a complete log pile stolen,
- ~ cash left out for tradesman taken from a doorstep.

Please be aware opportunist thefts do happen. If you see anyone acting suspiciously the Police Direct Team welcome a call on 01986 835300.

News from the Village Hall

We hope you all enjoyed the Christmas Bazaar. There certainly was plenty to buy, eat, drink, or have a go at. Even Santa visited and entertained the children! Many thanks to all who made this annual village event so successful.

A lot has been happening behind the scenes with the Village Hall project. Our success with WESG in the EEDA Cut your Carbon Competition actually gave us the right to formally apply for the £70,000 that we entered in for in the first place! Jon Bell (EnergyMix Director) has been working incredibly hard with the VHMC to complete and submit the final application forms. In addition, planning applications have been submitted for the biomass boiler/fuel storage building and photovoltaic cell system.

We understand that insulation works could start by February with the other larger works starting shortly afterwards. If all goes to plan the energy efficiency aspects could be complete by March/April. Great care will be taken to minimise disruption to Village Hall life during this time. User groups will be advised of planned works and implications.

The loft space currently being used for storage needs clearing and boards lifted. Further details will be distributed to clubs and a 'clearance weekend' is being planned for the New Year.

The expanded Buildings Sub-Committee has also been developing thoughtful ideas and plans for the kitchen, bar area and toilets. Some really innovative work is going into these aspects and user groups will be consulted when the proposals are completed.

The Village Hall project is now entering an exciting period where we will start to see things happening, so please feel free to come and have a look.

Happy New Year to all in Wenhaston with Mells. See you at the Hall sometime.

David Smeaton-Small (VHMC Chairman)

A family business – we believe it makes a difference

Mothers' Union

I am sure I can say that everyone present very much enjoyed our Christmas Party. We were treated to a very unusual Fashion Show, the five ladies and their compere had us in fits of laughter and we are very grateful that they came considering their busy schedule on the fashion circuit! This was followed by carol singing and the usual sumptuous tea.

We in the Mothers' Union wish all reading this a Very Happy and Healthy New Year. Our first meeting of 2009 will be on January 14th at 2:30pm when Edward will preside at our Corporate Communion Service and also over our AGM, both in Church. We would welcome any new members to our fellowship.

Margaret Bloomfield
