Wenhaston Archive

Arthur Musk, Norman Buckley and Blythweb are working together to build an archive of photographs and documents about the village and to attach to those images the memories of village people.

The idea is that we make copies of as many old photographs, news cuttings and other documents that we can get our hands on and then record as much information as we can about each one. This will be built into a major repository of information about the village and the people who live here. Once we have enough material we would like to put on a film and slide show at the Village Hall to show everyone the archive so far.

Later we will make the whole archive available on a special website and then maybe publish a calendar - and perhaps even a book of photographs depicting Wenhaston over the years.

This is where we need your help. If you have any old photographs of the village that we can borrow for a couple of days to scan that would be really helpful. Please bring your photos to Blythweb's office in The Street. We will take great care of the photos and will not need them for very long. If you can tell us anything about your photographs that would be even better.

Grand Jumble Sale

Saturday 1st September

Village Hall 2:00pm

Cakes, Raffle, Refreshments, Books, Toys,
Bric-a-brac, Jumble, Good-as-new-clothes

In aid of Church funds

*Ted Battle and the Church bells.
From the collection of the late Brian Canham.*

We are also interested in news cuttings about village events and indeed any other interesting documents related to the village. If you have old video or cine film of the village we would love to borrow this too so that we can get it copied.

Basically we want to bring together everyone's images and memories of our village so that everyone can share them both now and in the years to come.

Anything considered - everything welcome!

News from the Bus Shelter

Anglian Bus is now running a 588 Sunday service to Norwich from Halesworth via Bungay. Buses leave Halesworth at 07:50, 08:50 and 09:50 then every 2 hours until 17:50. Timetables are available in the Post Office. Suffolk Saver bus passes are valid on the route to Norwich as your journey will start or finish in Suffolk.

Wenhaston with Mellis Hamlet Parish Council

The Good Village Guide (originated by the Community Council) has been modified and reprinted for the Parish Council by Blythweb. This booklet will be given to all householders shortly. The Parish Council would like to thank Blythweb and the distributors of the Wenhaston Word for kindly agreeing to deliver this new booklet.

You will find in this month's Word a flyer from the Parish Council concerning the state of the footpath along the river Blyth. If you agree with this letter, please return it to me or leave it in the Parish Council pouch in the Village Hall. This will save you postage.

Broadband is available in the committee room of the Village Hall, Monday to Friday 9:00am-1:00pm.

No planning applications have been received. A new bus service (588) Halesworth to Norwich on Sundays every hour is starting 19th August. The above Council has adopted the Model Code of Conduct.

The request for land for allotments is being considered by SCDC.

If you have any comments or suggestions for the Parish Council, please do not hesitate to get in touch with me.

The weather was good for our teas in the churchyard, it was a very happy, bustling afternoon with folks coming and going, enjoying the teas and the sun, and buying from the stalls or having a go at the Tombola. Our numbers were swelled by a party on a visit to the church to view the Doom, and a very good result of £214 was made. Many thanks to all involved – we must do it again!

On September 12th, we shall read the Wave of Prayer, and this will be followed by a talk by Mrs Pat Kemsley on her visit to Canada, which should be very interesting. We welcome visitors. (2:30pm, Wenhaston Church Room – recently refurbished!)

Paul Welby 1952 - 2007

Myself and my family would like to thank everybody who sent cards and came to the celebration of Paul's life on Monday 13th August. I'm sure that most people even if they didn't know him personally, will remember him as a jogger in 'that' Ipswich top or a cyclist in 'those' shorts.

Although his working life was spent away from here he was and always has been for the past 23 years a very pro village person. For the last eight months of his life he spent time tending his garden and charging himself from the energy given by grandson Stanley.

Paul was a man with very strong family values, values which have shone through in our family over the last six weeks. Given the excellent support of the Halesworth Surgery, the district nurses, 'Hospice at Home' and Tom Wade (his night carer), Paul was granted his wish and remained at home with his family.

Anyone who would like to add to the already generous donations should do so to the Halesworth Community Care and Nursing Fund c/o Woolnoughs Funeral Directors, Halesworth. Special thanks to Marro and Rob for all their care, help and support.

Oskar Foxtrot Productions

We would like to extend our sincere apologies to all those who were disappointed when our production of "1066 - A Tale of Two Halves" was cancelled in July.

For our company to stage an outdoor evening production, we need about five hours set up time and at least an hour and a half for a dress rehearsal and a sound check. Unfortunately, when it was still raining at 4o'clock we needed to make an urgent decision and with several thousand pounds worth of expensive equipment at stake, we decided that cancellation was our only option.

This was doubly disappointing, both because we would not wish to let down our audience and also because performing outside at Wenhaston is the cast's favourite venue.

We hope to be back at Wenhaston in the future.

Wenhaston Youth Club

The Youth Club begins again in September after our summer break.

We are back in the Village Hall after managing three sessions at the Playingfield during the very wet early summer period. On those evenings it was good to see so many children enjoying the Sports Club facilities of tennis and skateboarding as well as cricket, football and rounders. Thanks to all those on the rota who helped at these sessions and also for the impromptu help of many others!

On Thursday August 30th we have our AGM at the Star Inn at 8:00pm. Anyone interested in joining the team would be more than welcome to join us.

The dates for September are as follows:
14th September and 28th September.

Youth Club is for children of age 8 and over and starts at 6:30pm, finishing at 8:15pm.

Further dates are as follows - 19 October, 2 November, 16 November, 30 November and 7 December.

Local History Matters: 5

George Butcher, Smuggler.

In 1855 an unsigned letter was delivered to the vicar, Thomas Greenwood, advising him that a certain man in the village had been smuggling for twenty-five years! It later transpired that this man was George Butcher.

George Butcher was born in 1803 and owned a wherry, horses and carts and was at one time the landlord of the Harbour Inn at Southwold. It would seem that he landed his goods inland. He lived at Hill House, at the top of Blyford Lane and was 52 when arrested and charged at Ipswich and gaoled there on 1st December 1855. He was described on the charge sheet as being 5 feet 4 inches high with a fresh complexion. He was married with two children. He served a sentence of nine months, and after release, he carried on with his coal and seed business as shown by entries in White's Directories.

One notes at the same time as Butcher's trial, another man, Mr Foreman of Blackheath, was tried and also received nine months sentence for smuggling. Part of the same gang no doubt!

Wenhaston W.I. August Report

Wednesday evening found us following in the footsteps of Sherlock Holmes with our speaker, Peter Ransome. Mr. Ransome told us that Sir Conan Doyle studied medicine in Edinburgh and was greatly impressed by the deductive reasoning of his mentor Dr. Bell; so much so that he based his famous detective, Sherlock Holmes, upon him.

It is interesting to note that there is a strong East Anglian connection with many of the stories. In fact the Hound of the Baskervilles was based on Black Shuck. Mr. Ransome's talk was illustrated with slides, several of them showing the actors who have played both Sherlock Holmes and Dr. Watson through the ages. Conan Doyle tired of Holmes and in 1893 devised his death with his arch enemy Moriarty - only to be forced by public demand to restore him ingeniously to life. The talk ended with a short recording made by the famous author.

Next month we will learn about Kinesiology - another way of communicating with the body, sounds intriguing!

It's a small, small World

On a recent trip to Ireland Kathleen and I attended a rather grand wedding reception in the grounds of a Country House. Jonathan Swift, the author of Gulliver's Travels, spent time there as a young man. Surprisingly, the owner, Mr. Michael Lennon, had farmed Thorington Hall and other land in East Suffolk back in the 1970s. He was delighted to meet someone from Wenhaston and appeared to have very pleasant memories of his time here in Suffolk. The last thing I expected to be doing at the reception was talking about Thorington and Wenhaston with the groom's father! Indeed, it's a small world.

Apologies from Retro Dance

It is with deep regret and much disappointment that we had to cancel our new classes. A change to Sasza's day time work commitments and subsequent relocation made it impossible for us to get to Wenhashton on time to run them. Energy Support Group

Action springing from our Energy Day.
Energy-Saving Lightbulb Library - from Suffolk County Council - Christine Buttle (01502 478511) has packs for loan - posters now up in village.

Eco-Teams - scheme to concentrate energy of individuals into effective groups in local areas to make a global difference. First meeting of first Eco-Team in September. To join second team contact Bryn Raven 01502 478257.

Solar Water Heating Systems - Householders benefitting from a group purchase have Janet Dillaway (01502 478966) to help identify suppliers/installers for tendering.

Analysis of Carbon Footprint Questionnaires - presentation in October. We think it would be fun and useful to gather over a meal (Pot Luck?) and chew over some ideas for "What Next?" Contact the Energy Group/Serena (01502 478302).

Keep in Touch! The Energy Group is informal and consists of whoever puts themselves forward each month, aiming to inspire and inform village activities and initiatives towards reducing the village carbon footprint - but we have no intention of being Lone Rangers! It's important for the whole village to keep learning and communicating about e.g. schemes in other areas - there's one started in Totnes, Devon, called "Transition Towns" - as well as where the funds are!

An Inconvenient Truth - film describing the process and effects of man-made Climate Change will be shown this Autumn. As Al Gore says, there's a space between denial ("There isn't a problem") and despair ("There is - but what's the point in acting?") - it is "Pause - then act" - and Wenhaston is already doing that!
Food for Free this month: Blackberries, Plums, Apples, Chickweed and Fungi.

And remember your Shopping Bags!
